Dear Parents and Carers,

In support of October's Breast Cancer awareness month, we invite your child to participate by wearing something **pink** on Friday 6th November!

For a suggested donation of £1.00 they are welcome to go as pink crazy as they can!

We know that it is a busy time of year with lots going on, but if every child who wears something **pink** makes a donation on our Just Giving Page we could really make a difference to help fund vital research and support services for breast cancer patients.

Many thanks for your continuing support.

Mrs Simons
