

We Need Your Help!

If you think you could spare some time on an afternoon to help with handwriting or reading, please let us know. We are always looking for ways to support our learners further!

What are we learning this year?

Have a look at our curriculum map to see what we will be learning throughout term 1. This is also available on our school website!

Dates For Your Diary

Geography field trip

Friday 21st September
Jeans for Genes day

Friday 4th October
National Poetry Day

Friday 19th October
Enrichment

Thursday 22nd November
Stonehenge Trip

Monday 17th December
Year 3 Christmas party

Friday 21st December
Enrichment

Year 3 Angelfish and Archerfish

Terms 1 & 2

September 2018

Miss Alli Cole, Mrs Kim Tulitt and Mrs Becky Medlicott

What a fantastic start!

All staff at Bromley Heath Juniors have been very impressed with the new Year 3 learners. Not only have they settled in brilliantly to their new school life they have also shown a great deal of confidence and independence. We are all extremely proud.

The year group are very excited about their new learning adventure and our topics for this term. Both classes have been continuing to develop their understanding of what it means to have a growth mindset. One of the most important messages we have discussed is that we might not be able to do something 'yet' but we are learning and we will work towards being able to do it. We are changing our mindset and being open to challenges.

Please feel free to come and talk to the Year 3 team at any time. Also make sure you sure you say hello to Mrs Pick who supports the Year 3 learners. Mrs Pick spends every morning working with Archers and Angels helping learners and giving feedback to ensure they make good progress.

Home Learning Books

Home learning will be given out on a Wednesday and due the following Monday. We also ask you to record your weekly reads in these books. If your child reads with an adult five times or more per week they will earn raffle tickets.

Mathemagicians!

We have already started to look at our key number facts in Year 3. We would love you to practise times tables at home to help us become truly magic in maths! Make it fun by singing them, playing games, using the internet or doing a quiz!

Let's Get Messy!

Please send your child into school with an art apron, for those messy moments of madness! This can simply be an old shirt of Mum or Dads! We are always on the lookout for old newspapers too so, if you can, please save one for the classroom!

Don't forget, if you have any queries, pop in and see us or drop us an e-mail.

We look forward to hearing from you soon.
