

Year 6
Tetras and Tigerfish
Term 1 and 2

English

- Shackleton's Journey
- Fiction and non-fiction writing tasks
- Horror (short film study)

French

- Classroom commands and equipment
- Clothes
- Common adjectives
- Family
- Furniture and household objects

Maths

- Number and place value
- Calculation: all four operations, including decimals
- Fractions, decimals and percentages.

We will be studying each area in depth so that the children will become 'masters' of these skills.
