

Home Learning Menu

Alongside the weekly expectations for reading, spelling and mental arithmetic (in your reading record), we ask that children pick **2 activities of different task types** from the menu and bring them into class at the end of term to share with the whole class and celebrate our thinking.

Year 5 Term 4 Home learning menu

Task Type	Option 1	Option 2	Option 3	Option 4
Thinking as a writer...	Write a diary entry from the perspective of	Write a short story		
Thinking as an artist...	Create a 3D model	Paint a picture inspired by the theme 'Bridges'	Create a diagram	Create an information poster about Isambard Kingdom Brunel and his inventions
Thinking as a scientist...	Use a kite to explore air resistance. Take photos and explain what is happening in each shot.	Who was Sir Isaac Newton? Research and create an A4 summary of his work and how he changed the world (Starting point: www.bbc.co.uk)	What falls fastest, a leaf or a paperclip? Prove it! How can you be sure? Was your test fair? Show the class, what you did and what you found out.	

Home learning is due in week beginning and will be shared with the rest of the class during this week.
