

Home Learning Menu

Alongside the weekly expectations for reading, spelling and mental arithmetic (in your reading record), we ask that children pick **2 activities of different task types** from the menu and bring them into class at the end of term to share with the whole class and celebrate our thinking.

Year 6 Term 6 Home learning menu

Task Type	Option 1	Option 2	Option 3	Option 4
Thinking as a writer...	Write a dramatic or humorous play based on school camp, sports week or our value of courage.	Write a persuasive booklet to encourage people to adopt a healthy lifestyle or visit Manor Adventure.	Write a story – reality, fantasy, horror or any genre of your own choosing – about sports week or based on Pig Heart Boy.	Write a poem or news report based on our class book 'Pig Heart Boy'.
Thinking as an artist...	Create a model of a stage at the theatre.	Create a healthy biscuit or bar. These would be enjoyed and shared in class!	Research and present information on Leonardo Da Vinci. How did he bridge both Science and Art disciplines?	Draw and create a model of an activity at camp.
Thinking as a scientist...	Research the choices you can make to keep your heart, body and mind healthy. Present in whichever for you chose – a poster, a leaflet, a song ...	Create a model of the heart or an annotated drawing of the workings of the lungs and heart making clear the direction of blood travel.	Research the career of a cardio-vascular surgeon. Create a fact-file on this medical profession including how to become one.	Design an exercise regime which will benefit your body and mind in different ways. Create clear instructions, including the benefits for the user.

Home learning is due in the week beginning Monday 15th July and will be shared and celebrated with the rest of the class during this week. We have loved seeing the examples so far and are delighted with the effort shown!
