

### SCHOOL VISION STATEMENT

At Bromley Heath Junior School, we create an enriched learning environment where each child is nurtured and celebrated and where there are high expectations for all. Through our core values of Respect, Responsibility, Resilience, Kindness, Positivity and Courage, we support children to be thoughtful individuals who contribute to their community and the wider world, developing skills and attributes for life in an ever-changing future.

Our Core Values...

Our school values are integral to our school: they underpin our ethos, our collective worship and our curriculum. In addition, we have three school rules based on these values; we use these to discuss and celebrate choices with the children.
