

## **Governors' Allowances & Expenses Policy**

The Governing Body recognises that The Education (Governors' Allowances) Regulations 2003 allow for payments of allowances in respect of expenditure necessarily incurred for the purposes of enabling the individual to perform any duty whilst acting as a governor of the school.

Due to limitations on the school budget, the Governing Body has agreed not to allow payment to governors for expenses.

Signed *Donna Whinham*..... Chair of Governors

Signed *Tracy Serle*..... Head Teacher
