(Wed – Fri)

**Miss Whale**  
Year 3 Teaching assistant

**Mrs Hague**  
Music & French teacher / Reading  
and phonics support

**Mr Scanlon**  
Sports Coach & mentor

## What does my child need to bring to school?

They will need the following, which should be clearly named:

- Water bottle
- Lunch box (if packed lunch)
- Healthy snack (optional)
- Reading book and record (once shared by school)

Children do not need to bring a pencil case as necessary stationery will be provided in school.

## PE Days

Year 3 will have **PE** on **Tuesdays** and **Thursdays** and should come to school dressed in their PE kits on these days (starting the first Thursday back). Long hair should be tied back and earrings removed for lessons.

## Reading

Your child will be given a reading record and reading book to take home. Please aim to **read** at least **5 times a week** at home and record this in the book. Reading records will be checked by class teachers at least fortnightly during class reading time so please make sure these are in school daily.

## Home learning

As well as reading, please **practise spellings and times tables each week**. You will soon receive further information about how this should be done but little and often is best! Children will also be set a termly home learning menu on Google Classrooms that gives a variety of choices linked with class learning to pick from.
