

12 September 2023

Dear Parents/Carers

Please see below for details of all clubs available in Term 1 and 2. The clubs will start on 25<sup>th</sup> September and run for 10 sessions. This is a little later start than usual this term due to the year 6's and staff being on their residential camp the week before. To sign up for the clubs available through Arbor, please click on the 'Activities' link on your Arbor account and then you will be taken to a page to register (and pay if registering for Progressive Sports). You will be able to book places from 6.00pm on 13<sup>th</sup> September. Please be aware that, as it is a live system, if the club is showing but you are unable to register for the club, it means that the club is full.

	Day	Time	Number of children

Further details

**BHJS Choir club** Our school choir is a fantastic opportunity for any child who is interested in music or singing. During the sessions we will learn how to warm up, learn songs and routines. We encourage the children to sing a wide range of music from chart music to carols and hymns.

**BHJS Drama club** This year's drama club - led by Mrs Serle and Mr McSmythurs and supported by the wider teacher team - requires no previous experience. However, as this club will be responsible for the Christmas production on 6th December, we are looking for our budding actors and those who might like a smaller role and a responsibility for staging and props etc. to come along, join in and be courageous. Please note there will not be a drama club on Wednesday 8<sup>th</sup> November as parent consultations take part this week.

**BHJS Lacemaking club** Miss. Hayton is again offering Years 4,5 and 6 a chance to come and practice making a piece or 2 of Lace. If you would you like to learn a traditional textile craft, and can you count to 4 you are most welcome to participate.

Handmade Bobbin Lace is a skill that involves making pictures, motifs and cloth by weaving threads with bobbins. Not shoe laces!

The children will continue to learn basic Torchon Lace - the stitches needed to make their own project and start to learn about the patterns and fun behind making lace.

**Progressive Sports clubs** – The clubs will run for 10 weeks costing £25 per pupil (£2.50 per session) apart from the Monday and Tuesday night clubs which will only run for 9 sessions costing £22.50 due to the Inset days on 30<sup>th</sup> and 31<sup>st</sup> October.

We have tried to fit the club around your child's PE days so they will already be in PE kit and will not need to change for the club. However if they wish to join the club not on their PE day they will need to bring in PE kit. All are welcome to bring in additional trainers if they want to.

**Art Club** – The course runs for 10 weeks on a Friday at the cost of £50.00. Please see the flyer for further details. To register please contact Catherine Williams at: [catherine@catherinewilliams.co.uk](mailto:catherine@catherinewilliams.co.uk)

**The STEM Factory** – Coding with robots. The course runs for 4 weeks starting on Wednesday 27th September at the cost of £30.80 and is for all year groups. Please see the Stem Factory flyer for further details. To register interest please visit [www.thestemfactory.co.uk](http://www.thestemfactory.co.uk) and they will contact you.

Many Thanks

Tracy Serle  
Headteacher
