

Home Learning Menu

Alongside the weekly expectations for reading, spelling and times tables, we ask that children pick **2 activities of different task types** from the menu and share photos or videos of them on Google Classrooms by the last week of term. These will be shared and celebrated with the whole class during the final week of the term.

Year 3 Term 1 Home Learning Menu

Task Type	Option 1	Option 2	Option 3
Thinking as a writer...	Write a diary entry imagining you are a child living in pre-historic Britain 	Create an acrostic poem about 'Responsibility'.	Write a short story set in pre-history and make sure you describe the setting in detail. 
Thinking as an artist...	Research and create a 3D model of Stonehenge. 	Design a poster showing how a pupil could demonstrate responsibility in school and at home. 	With an adult, research (or even visit) the murals of 'The Seven Saints of St Pauls' then use this as inspiration to paint your own picture of someone you admire.
Thinking as a scientist...	Look around your home or local community to find where different types of rocks are used. Record them (maybe take a photo) and explain why that rock was chosen for that purpose.	Research and find different types of soil and suggest what each one might be used for. Present your findings however you like (poster, map, model, PowerPoint etc).	Write an explanation or make a model to show how one of the types of rock are formed. Igneous, sedimentary or metamorphic.

Home learning is due in week beginning **19th October** and will be shared with the rest of the class during this week through **Google Classrooms**.
