

11 September 2026

Dear Parents/Carers

Please see below details of all clubs available in Term 1 and 2. Clubs will begin during the week commencing Monday, 21st September. This is a slightly later start than usual due to the Year 6 pupils and staff attending their residential camp the previous week. To sign up for clubs via Arbor, please click on the 'Activities' link in your Arbor account. You will then be taken to a page where you can register (and pay, if signing up for Progressive Sports). Bookings will open at **6:00pm on Wednesday, 16th September**. Please note: As Arbor is a live system, if a club is listed but you are unable to register, it means the club is already full. All clubs will finish the week of the 30th November.

Further details

BHJS Choir club Our school choir is a fantastic opportunity for any child who is interested in music or singing. During the sessions we will learn how to warm up, learn songs and routines. We encourage the children to sing a wide range of music from chart music to carols and hymns. Please note this club will be supporting the Christmas production on Wednesday 2nd December

BHJS Lacemaking club Miss. Hayton is again offering Years 4,5 and 6 a chance to come and practice making a piece or 2 of Lace. If you would you like to learn a traditional textile craft, and can you count to 4 you are most welcome to participate. Handmade Bobbin Lace is a skill that involves making pictures, motifs and cloth by weaving threads with bobbins. Not shoe laces! The children will continue to learn basic Torchon Lace - the stitches needed to make their own project and start to learn about the patterns and fun behind making lace.

BHJS Drama club This year's drama club - led by Mrs Serle and Mr McSmythurs and supported by the wider teacher team - requires no previous experience. However, as this club will be responsible for the Christmas production on Wednesday 2nd December, we are looking for our budding actors and those who might like a smaller role and a responsibility for staging and props etc. to come along, join in and be courageous. Please note there will not be a drama club Wednesday 2nd December due to the performance that evening.

Progressive Sports clubs – The clubs will run for 10 weeks costing £35 per pupil (£3.50 per session) apart from the Friday night clubs which will only run for 9 sessions costing £31.50 due to the Inset days on Friday 27th November.

Children wishing to join a club that does not fall on their PE day will need to bring their PE kit with them. All children are also welcome to bring in an additional pair of trainers if they wish.

Art Club – The course runs for 10 weeks on a Thursday at the cost of £50.00. Please see the flyer for further details. To register please contact Catherine Williams at: catherine@catherinewilliams.co.uk

The STEM Factory – The course runs for 5 weeks starting on Wednesday 23rd September for all year groups. To register interest please visit www.thestemfactory.co.uk

Many Thanks,

Tracy Serle

Headteacher
