

8th September 2026

Dear Year 3 families,

To start our first history topic, focusing on Prehistoric Britain, we would like to visit the Cheddar Gorge and Caves. The day will include:

- A talk everyday life, including a live demonstration of flint knapping and how fire would be made from an actor in role.
- A talk in the 'daylight zone' of Gough's Cave, learning about Cheddar man, and time to explore.
- Time to explore the prehistoric museum

The trip will be held on **Tuesday 29th September**. We will be leaving at 9am and will return in time for the end of the school day. If there are any delays to this, we will keep you informed via Arbor messages.

Please ensure children bring with them a **packed lunch and a water bottle**. Children should be wearing a school uniform so that they can be easily identified and will also need to wear a warm waterproof coat and sturdy shoes (e.g. trainers) as some areas can be slippery/ uneven underfoot.

The total cost for the trip is £16.13 which includes the cost of the coach, admission to the museum and the workshop. All payments should be made through Arbor.

We are also looking for some parents to help us on the day. If you are interested, please do email us and let us know. All volunteers' names will then be put into a hat if we are inundated!

Thank you for your support.

Year 3 team

Mrs Garland and Miss Neill
